Hello all,

This is a follow-up email to check if the Artefact Agreement previously sent has been agreed upon as an acceptable finalised Artefact Agreement with approval of selecting these scoped items:

2 Enhanced scopes: **dashboard usability/navigation** and **risk visualisation**

1 Selected scoped: **interactive filtering/drill-down**

We would appreciate if we were able to have this confirmed by EOD 11/09/2026 as confirmation for what we as a team must deliver for our project handover, to email our assessors.

Kind regards,

Nicole Kim; Karen Lee; Renny Matis; Bilal Sadozai; Lu Yang
